

UH, OH . . .

DID YOU KNOW ???

Look what could happen if ONE UNSPAYED FEMALE CAT . . .

. . . has two female kittens . . .

. . . and all three of them continued to breed on, and on, and on.

In six months there could be 6 . . .

In one year, there could be 18

In two years, there could be 162

In three years, there could be 1,458

In four years, there could be 13,122

In five years, there could be 118,098

In six years, there could be 1,062,882

1,062,882 Cats in six years, all from ONE unspayed cat. **YIKES!!!**
The numbers for dogs are similar!

HOW CAN WE TAKE CARE FOR ALL OF THEM?????

THE ANSWER IS . . . **WE CAN'T** . . .

THERE SIMPLY AREN'T ENOUGH LOVING HOMES TO GO AROUND.

What you can do to help:

- ☺ Adopt pets from animal shelters and save a life.
- ☺ Encourage family members and friends to spay or neuter their pets. Operation Kindness can provide SNYP (Spay/Neuter Your Pet) coupons for low cost options in their areas.
- ☺ Don't allow a stray animal to roam free. If you see a stray animal, call Animal Control or rent a humane trap from Operation Kindness and trap it, then take it to an animal shelter. Call Operation Kindness, 972-418-PAWS (7297) for shelters near you.
